| ADMINISTRATIVE SUPPORT

lagmayr2@gmail.com | +6390-07515-0210 | San Jose, Occidental Mindoro, Philippines

01 OVERVIEW

Detail-oriented Information Technology graduate with professional experience in database management, data entry, and digital records management. Experienced in maintaining accurate databases, organizing electronic files, verifying information, and supporting administrative operations using Microsoft Excel, Google Workspace, and Microsoft Office. Recognized for accuracy, organization, and meeting deadlines.

02 EXPERIENCE

DATABASE MANAGEMENT OFFICER

April 2025 - December 2025

At Mts. Iglit-Baco Natural Park - Protected Area Management Office (PAMO), maintained and updated the Protected Area Information System (PAIS) by accurately encoding, verifying, and organizing official records. Managed digital file archiving through document scanning and ensured data accuracy, consistency, and completeness to support efficient database management.

PART-TIME DATA ENTRY CLERK

March 2024 - March 2024

At Moscord 2024, entered and updated product pricing and related information using Microsoft Office (Excel), ensuring data accuracy and consistency. Verified and corrected records before submission, maintained organized digital files, and completed data entry tasks efficiently while meeting deadlines.

ON-THE-JOB TRAINEE - COMPUTER MAINTENANCE

January 2023 - March 2023

At Divine Word College of San Jose, performed basic computer troubleshooting and maintenance by diagnosing hardware and software issues, supporting office and laboratory computer operations, and helping ensure the proper functionality of computer systems through routine maintenance and technical assistance.
